Vighneshwara Enterprise

The Ultimate in Seafood

Vighneshwara Enterprise is a trading company engaged in international trade of fresh and frozen seafoods. We are based in Cochin, South India considered as the Citadel of Indian seafood industry. Our team consist of experienced and hardworking professionals. During a short span of three years we have carved a group of elite customers worldwide and a group of quality conscious and dedicated suppliers in India and abroad. We deal with suppliers who have EU approval and international food safety certifications such as ISO 22000, BRC and Dolphin Safe Certification of EIL.

Our motto is to provide safe and high quality products sourced from quality conscious packers and deliver them to our valued customers, by fully meeting their quality and safety specifications. As far as seafood safety and quality are concerned nothing is left to chance.
